#	WHY?	DATE
1	*****, the hippy *****with "shops" on main st. And apartment complexes excepting section 8.	1/12/2018 3:05 PM
2	Rules for housing construction only apply to some. House at end of ***** Street in the village had a swimming pool built without a permit and the town did nothing to stop them. As a community the laws have to apply to all in the same manner w/o exceptions.	1/12/2018 2:56 PM
3	We need economic growth . . . taxes are CRAZY!!!! Born and raised here and about to be pushed out because of high taxes. Roads falling apart, businesses don't want to be here, not enough people to shop down town and too expensive. Beautiful location but needs to be more affordable, lower taxes. Young people are moving to Beacon in droves, and even Newburgh . . . why not Cornwall?	1/11/2018 3:07 PM
4	Too many rentals opening up the town to lower quality of people. Also the Kiryas Joel debacle is alarming	1/10/2018 10:23 AM
5	I can't compare it to how it may have been before I moved here 7 years ago. But I can say this: if I could afford to move away I would in a New York Minute! I find it to be snobby and one of those places that doesn't make newer residents feel welcome especially if you don't have kids in the school system or if you are elderly. Very closed and VERY white. Sad.	1/4/2018 12:41 PM
6	Upper Main Street makes cornwall look like a very poor town	1/3/2018 5:23 PM
7	Main Street is slowly declining.	1/3/2018 4:34 PM
8	lack of services lack of facilities increasing taxes drug issues at high school that are ignored	1/3/2018 1:36 PM
9	Actions need to be taken to improve the downtown stores and have better parking	1/3/2018 1:17 PM
10	The current Town Board is not responsive to positive change that will better the community including the improvements on Main Street as recommended by several organizations.	1/3/2018 12:39 PM
11	Housing costs and high taxes creating stagnancy	1/3/2018 12:35 PM

12	Taxes are very high. There is no sense that even minor aesthetic improvements can be adopted.	1/3/2018 8:03 AM
13	Taxes are starting to go way up, soon this will be another area such as Westchester/Rockland especially if the School Taxes keep going up the way they are. Enough is Enough! Soon anyone that was born here or is retired and has lived a majority of their life here will not be able to afford it anymore...	1/1/2018 5:54 PM
14	It is difficult to say whether life is improving or declining because there are so many factors to consider.	12/31/2017 10:16 PM
15	which is why I stay, why I love it here	12/31/2017 3:26 PM
16	I have not seen any significant changes in this town except for the occasional shop/restaurants opening and closing.	12/29/2017 8:16 PM
17	The old guard of town leaders seems intent on keeping things the way they've always been. I would like to see bike lanes and better walking paths, for instance all the way to Storm King Art Center. I would like the pond to be opened for skating more promptly when conditions permit.	12/28/2017 11:26 PM
18	Dated storefronts and businesses are in disrepair and have not made improvements that draw visitors to Cornwall. There are a few exceptions, but main street looks decrepit and static, not dynamic and welcoming. Cornwall Rising would be a good solution to this problem, and it should be adopted.	12/28/2017 10:37 PM
19	Lack of plan to invigorate Main Street. High taxes.	12/23/2017 2:08 PM
20	Population seems to be growing slightly, more diverse. Less of the old "if you haven't been here for six generations you don't matter" ethos.	12/20/2017 7:41 PM
21	Increase in light pollution, less of a sense of practical frugality than when we moved here 26 years ago, which includes a strong sense of local history. Our public schools don't seem to enjoy the same esteem, academically, as they did then. Cornwall really was the jewel of Orange County. Now, I'm not so sure.	12/20/2017 9:00 AM
22	School rating has gone down, yet school taxes continue to go up. Development has not been controlled or designed adequately i.e., poor design of CVS strip mall buildings and apartments next to it are an imposing eye sore. Really no decent restaurants for dinner dining.	12/20/2017 8:35 AM
23	taxes are too high	12/19/2017 12:16 AM
24	Becoming more diverse	12/18/2017 5:33 PM
25	Need more restaurants. Need less taxes	12/18/2017 6:56 AM
26	Businesses on main st are improving It's becoming a more diversified and attracting new people to the area.	12/17/2017 10:36 PM
27	Because too many people don't want to change anything. There is too much resistance to fresh ideas from entrenched, myopic leadership.	12/17/2017 10:35 PM
28	Individual properties have been improving but the town hasn't changed much except for a few more traffic lights. There is more money around now.	12/17/2017 10:30 PM
29	I think the Town Board should have some new people for Town Attorney and Planner and Engineer. Bring in new ideas for the direction of the town. We need to protect open space and address environmental concerns. Have a variety of businesses on Main Street and Hudson Street. We can continue to improve the quality of life for citizens of Cornwall.	12/17/2017 10:07 PM
30	reluctance of long time residents to embrace needed changes. Lack of industry, vibrant local, and main street not enticing or conducive to community engagement (a couple example of exceptions: 2 Alices & Painter's). Lack of pedestrian friendly environment and parking.	12/17/2017 8:11 PM
31	Purposeful efforts by individuals and groups of citizens	12/17/2017 11:48 AM
32	i feel there is increased diversity and fresh energy	12/8/2017 9:32 PM
33	There is no investment in business. Resistance is strong against developing tourist sector from locals (I'm born and raised here). There is a tired mentality pervasive throughout, be it current business owners who want no competition or established locals that fear change.	12/7/2017 11:50 PM
34	Only lived here for one year so far	12/7/2017 11:02 PM

35	The overall attitude of those who have always lived in Cornwall is they refuse to vote for change or even listen to anyone who was not born and raised here. It is a us vs them mentality. Any change is a struggle and divides the community. We also need to actively identify, reach out and recruit new people who have moved here that have the talent, expertise and willingness to work on projects like Main Street development and school boards.	12/7/2017 4:48 PM
36	Maintain low crime, high natural appeal of the area coupled with outstanding school district. Property taxes should be lower. Bike trail/greenway on abandoned rail line through western part of town by the high school would be an incredible resource.	12/6/2017 6:36 PM
37	Taxes are so high that disposable income cannot keep up, and therefore, no funds to support local businesses or home improvement.	12/6/2017 5:28 PM
38	New folks moving in are bring with them the same ideas, of what are town should be that forced them to move to cornwall.	12/6/2017 1:55 PM
39	Lack of interest, apathy	12/6/2017 1:07 PM
40	High cost of housing	12/6/2017 12:10 PM
41	A lack of progress will make this town less attractive in the short and long term. The school capital improvements bond was voted down. Status quo candidates on the town board were re-elected, which means nothing will change. When things don't change it means they decline.	12/6/2017 9:51 AM
42	There are way too many "born and raised in Cornwall" who have the attitude that if you do not live in the "center of town" you do not live in Cornwall. Cornwall is very clicky. This negatively impacts students. The taxes are way to high!! The town does little to encourage tax paying industries to located within the borders. There are way to many individuals who wrongly insist that the High School is located within the Town of New Windsor.	12/6/2017 7:14 AM
43	Store r n8t open later. Not manybpbkqxes for teenagers and our main street is poor	12/6/2017 7:07 AM
44	Cornwall does need to allow itself to modernize	12/6/2017 7:06 AM
45	Community as a whole is more active coming together on public events, street fairs, tree lighting , 9/11 ceremony etc...	12/6/2017 6:51 AM
46	Recently it seems to be improving. Need real foot traffic stores on Main Street to attract and keep stores thriving.	12/6/2017 5:23 AM
47	New politicians asking questions and doing what the people want!	12/6/2017 3:15 AM
48	There are no improvements. We are in a stagnant state of living; our library is a joke, main street is a joke, where are our resources? We don't even have a local hospital. Nobody uses the high school football field because they don't want to drive to new windsor - how unfortunate. Try selling the whole, "Oh it's because the field isn't the right size" bologna to someone who will buy it. Our town is unorganized and turning into a drug haven. Soon we will be the next Kiryas Joel.	12/6/2017 12:13 AM
49	See a better Main Street and businesses opening.	12/5/2017 11:51 PM
50	New shops in town, but still bicycles stolen from garages; for every up, there is at lease one down	12/5/2017 11:43 PM
51	Political leadership is stagnant, without vision, and oppositional to progressive change.	12/5/2017 10:24 PM
52	I have only lived here just over 1 year.	12/5/2017 10:24 PM
53	Very little progress in terms of making necessary changes to improve the community or to encourage small businesses to open on Main Street.	12/5/2017 10:23 PM
54	High taxes, school quality deteriorates, not much business in town.	12/5/2017 10:15 PM
55	No new growth, rising taxes hurts young families	12/5/2017 10:08 PM
56	No vibrant businesses on Main Street.	12/5/2017 8:28 PM
57	When I first moved here there were a variety of shops. I could have visitors and take them out for lunch and spend time in town. Now there is nothing to go to except Jones Farm.	12/1/2017 1:39 PM
58	Some events and things are improving the sense of community, but overall i feel crime is increasing, quality of the schools is decreasing, and the town's dedication to keeping our environment clean is also declining.	11/20/2017 4:12 PM
59	Taxes are out of control	11/19/2017 8:45 PM

60	Community aesthetics, no new industry, stores do not attract visitors like upcoming Cold Spring, Wappingers, Fishkill, Beacon, etc. Other towns are making wonderful improvements in their community and bringing in new business and attracting visitors. Cornwall has been steadily declining in the many years I have lived here. Such a shame. Also the schools. There are issues going on in the schools today that get ignored by the teachers and administration. Cornwall needs to wake up and make some changes. Parks such as the one by the river should have toilets so people can enjoy the park for longer periods of time. This just breaks the surface.	11/19/2017 7:52 AM
61	I would like to see further stores and waterfront activities located down along the Hudson River in Cornwall	11/19/2017 6:24 AM
62	have only been here less than a year	11/18/2017 7:22 PM
63	Affordable housing is non-existent and good paying jobs are far away.	11/18/2017 12:25 PM
64	high taxes and concerns of outside communities infringing	11/17/2017 9:12 AM
65	Too many people crying about things they want but don't do anything for change. Been here 9 years and it was great and quaint when I moved here now it's a bunch of health crazed nature freaks who want to bring tourism to this town.	11/16/2017 11:30 PM
66	There seem to be less businesses that I would go to on Main Street in comparison to 20 years ago. The taxes are very high compared to other areas that I've lived.	11/16/2017 11:24 AM
67	I've lived here for 11 years. Not much has changed. It seems as if people are too concerned with NIMBY than progress. Let's get more business in here to offset costs. Trader Joe's, etc	11/15/2017 5:38 PM
68	i guess i would say the taxes, i noticed alot of empty houses driving around. people are moving out and building high priced housing that people cant afford. alot of ny city people are moving into the area. and there is more traffic than when i was growing up.	11/15/2017 5:09 PM
69	Taxes are increasing without any service being added. Recreational facilities are dismal.	11/15/2017 3:45 PM
70	The taxes are out of control and came on so rapidly it is causing stress for many families. The town and village offer business', restaurants, etc but that is not because of our tax dollars. Plus all we pay for water	11/15/2017 2:23 PM
71	As "outsiders", we are generally disregarded and/or told we aren't really "wanted" in the town. We pay taxes and solicit local businesses, but I haven't seen much that inclines me to believe it's improving.	11/15/2017 1:21 PM
72	Decline of Main Street -- there is no sense of community on Main Street -- service businesses suck the life out of the central business district. For 25 years we have talked about cleaning up the wires and have done NOTHING. While the rest of the Hudson Valley is thriving -- Cornwall is stagnant!	11/15/2017 1:19 PM
73	No shopping	11/15/2017 1:16 PM
74	Taxes are being raised on properties that have barely changed. Businesses are decreasing in value.	11/15/2017 11:49 AM
75	More to do than ever: farmer's market, outdoor concerts, Main Street and 2 Alice's activities, some great restaurants now, barn dinners nearby.	11/15/2017 11:34 AM
76	It has come a long way but progress seems to be not keeping the pace needed for small businesses to survive. We need more events like the Fall festival and now the recently added Holiday event. Small pop up shops. Town of Cornwall need a place for coffee. The Village needs lunch venues.	11/15/2017 9:39 AM
77	Love the charm, friendliness, safety, and vibrancy of community organizations (Scouts, little league, churches, etc.). DON'T LIKE THE TAXES!	11/15/2017 8:36 AM
78	Taxes and Govt policy	11/15/2017 8:16 AM
79	People are trying to change things in Cornwall. If one of ten changes doesn't go through they throw a tantrum like a 3 year old. Also, the sense of community has diminished within the past 5 years. Residents are now more interested in seeing our differences than working together. I could go on, but in general, the attitude of the residents is declining and it will ruin our town.	11/15/2017 7:32 AM
80	Main Street seems to be declining, it looks run down and many vacant openings.	11/15/2017 5:31 AM
81	More progressive open minded people moving to the area	11/15/2017 4:16 AM
82	Being taxes out	11/15/2017 1:31 AM

83	Been the same town since I was little	11/14/2017 11:49 PM
84	Main street hasn't really improved. Some roads in good repair, others not great. Things aren't bad by any stretch but I wouldn't say they are improving either.	11/14/2017 4:21 PM
85	WE LOST OUR HOSPITAL	11/12/2017 7:24 PM
86	More second homes People moving in do not respect what Cornwall has been special for - peacefully and naturally beautiful area. Money is more important to them.	11/11/2017 9:05 AM
87	Maintaining services, controlling cost of Local govt.	11/10/2017 7:37 PM
88	The town appeals most to young families, as it always has. However, it offers little to attract or retain young people and there is a gap in people aged 23-30.	11/9/2017 12:09 PM
89	Indifferent, unresponsive town government and school board	11/9/2017 6:14 AM
90	We need to improve our Main Street to make it more inviting and attractive so people will visit and shop local.	11/8/2017 10:29 PM
91	I have only lived here two years.	11/8/2017 8:01 PM
92	Main St really hasn't advanced much in the six years I have lived here. Taxes keep going up and I don't see ideas to stop or reduce that trend, especially from the school board. I didn't know of the poor choices the town had made with the high school placed outside of town or the wells. Very disappointed.	11/8/2017 7:06 PM
93	Losing Hudson Street Cafe was heartbreaking. We need more small businesses, cafes and restaurants are crucial for bringing shoppers to the area.	11/8/2017 12:17 PM
94	We have a good grocery store and high school is best in county and 2 Alices cafe .	11/8/2017 11:37 AM
95	Not much changes	11/8/2017 11:25 AM
96	I don't see any growth here, in terms of business development--other than salons	11/8/2017 10:31 AM
97	Local government not willing to take on the "big" projects ( Main St., Powerlines, Beautification) . Cornwall has a real opportunity to become a vibrant center of commerce and retail due to natural beauty, long Main St., and proximity to world class attractions (SKAC).	11/8/2017 10:29 AM
98	There are changes coming to the schools (renovations) and the athletic fields, also the revised taxes! But there is a lot of work to be done!	11/8/2017 10:27 AM
99	very little personal daily involvement	11/8/2017 9:04 AM
100	Recently moved here. However I am familiar with the area and always wanted to live here. So far, no disappointments.	10/27/2017 7:24 PM
101	Fewer jobs. Expensive housing. Hard for businesses.	10/27/2017 5:43 PM
102	More progressive thinkers are becoming involved in the community.	10/26/2017 9:44 PM
103	still very nice but new people do not all seem to have same spirit of the town	10/25/2017 10:32 PM
104	There needs to be more focused action by town and village ongoing committee to recruit and help finance new businesses/commercial ratables. thinking that this will happen by promotion will not work.	10/24/2017 1:02 PM
105	To many people moving in for NYC/Rockland county	10/23/2017 4:19 PM
106	Have been here 17 years.Quality of life unchanged.	10/22/2017 12:10 PM
107	More diverse	10/22/2017 8:20 AM
108	Living here since 2011, only DeCicco's is new and I worry about their ability to remain given their higher pricing in relationship and proximity to Hannaford, Price Chopper and Shoprite.	10/20/2017 6:04 PM
109	Too many liberals moving in from NYC, Rockland, Westchester & NJ. Too many people driving a Prius, think about it. Too many people have an opinion about how to make Cornwall better. The way to make it better is to ship them back to where they came from and put up a wall to keep them out,	10/20/2017 3:29 PM
110	Would love to see Main Street become a "walkable" community. More shops/restaurants on Main St. Maybe consistent signage or awnings to give a more cohesive look.	10/17/2017 2:35 PM
111	School taxes are extremely high!	10/17/2017 2:34 PM

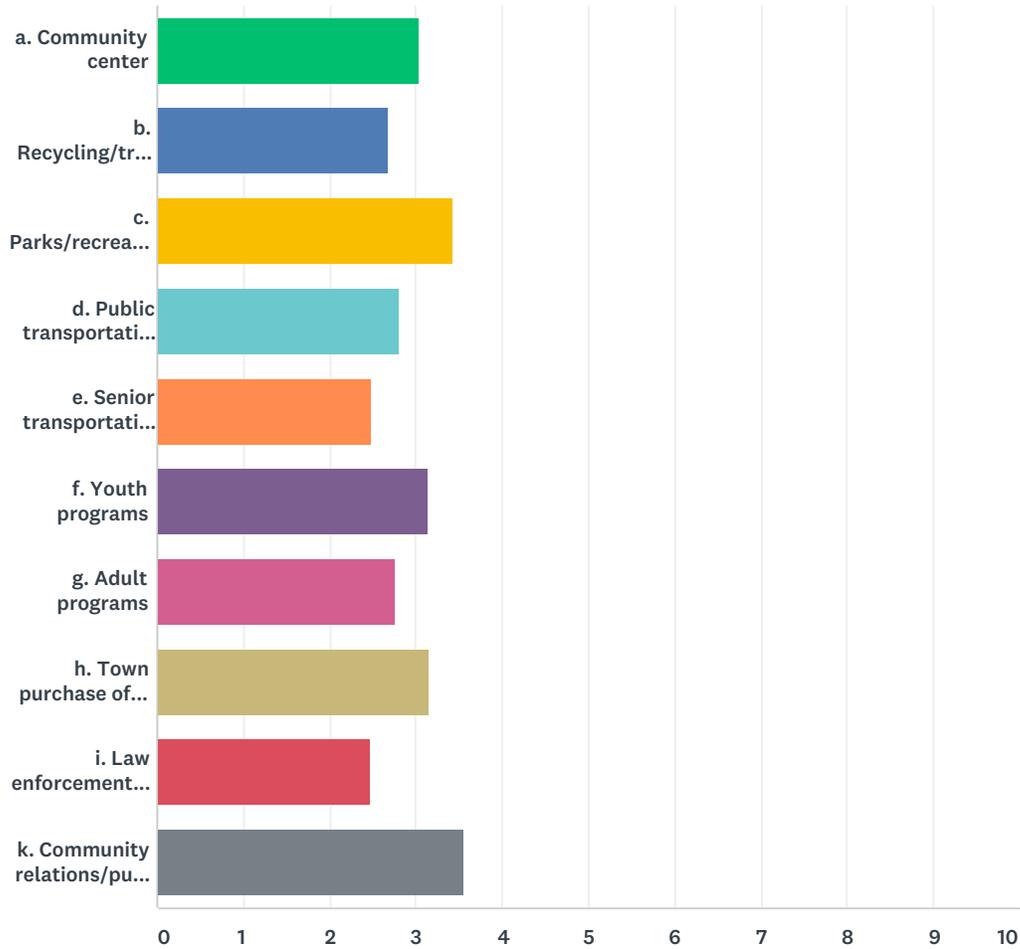

112	Influx of people with creative, progressive ideas.	10/15/2017 7:46 AM
113	Younger people and families are moving to the area from NYC and seem involved and invested in making the community better. There are lively discussions at board meetings and social media. Surrounding municipalities like Beacon are developing and giving people in Cornwall some good ideas on how to develop.	10/12/2017 6:43 PM
114	Not enough neighborhood coffee shops or single owner cafes in town of C -old section. Daytime Hangout spots	10/12/2017 6:16 PM
115	Every place I've lived happiness depends on good friends, nice neighbors and family. I moved here 7 years ago and I've never felt comfortable here, always like an outsider. It's a very sterile enclave with few mixed races or cultures. A little too snooty for me.	10/12/2017 3:07 PM
116	The store fronts are not updated and things are looking run down considering how much we pay in taxes. We have a lot of businesses but not enough interesting shops and we could use even more variety of restaurants.	10/12/2017 1:57 PM
117	Bad: Favorite restaurants have closed. Favorite barber passed away. Streetside trees butchered. Ash trees dying. Good: New Thai restaurant. Revived restaurant at golf course. Rehabilitation of Sands-Ring homestead. Movies in Donahue Park. Promised increased frequency of MetroNorth service to Salisbury Mills/Cornwall. Recent interest in politics might result in election in November of Town officials less resistant to change and new ideas than current officials.	10/12/2017 11:41 AM
118	Taxes are becoming so high often have to forgo other things to afford them.	10/12/2017 10:54 AM
119	I feel like there could be more emphasis in making this an attractive town for people to visit, while still holding onto that small town feel. As a mom, I love the schools, and we love our neighborhood. But as a business owner, there really needs to be more emphasis on attraction to this town for the people from the city and surrounding area.	10/12/2017 10:39 AM
120	representatives of the town are the same, old, recycled and more concerned with keeping "power" and "control" vs. moving ahead	10/12/2017 10:11 AM
121	Over populated	10/12/2017 10:04 AM
122	People seem to want to urbanize the Town. Many of us here appreciate the small town that we have and would like to keep it that way.	10/12/2017 9:00 AM
123	Businesses seem to come and go. We really need businesses that are permanent and entice travelers. Having the success of the Cornwall eateries is wonderful. The rent at The Hudson Street Cafe became too much so they had to move out of the area. It was the one eatery in the Village that the community could count on for good food, very caring owners and an enjoyable place to meet friends. I miss it greatly. In losing that place, we have lost the great small community feeling that I so love about the Village.	10/12/2017 8:44 AM
124	I first clicked staying about the same but then decided i am uncertain about this. I think with more and more neighborhoods outside of the town, the sense of community dwindles. also when they built the highschool in NW, it broke up our community a bit too. i think people who live in those neighborhoods dont understand what cornwall is about. i grew up in COH	10/12/2017 8:26 AM
125	Recent efforts are commendable. It appears that Cornwall has been on auto-pilot for a long long time.	10/12/2017 7:22 AM
126	Every improvement seems to come with increased taxes, so it means we get more from our community but have less disposable income to achieve other goals.	10/12/2017 7:05 AM
127	No improvements have been made in town except a few 9-11 memorials. Noise level has gone up. Pavements in streets are in terrible shape. And a few vacant and spooky unattractive shape on Main Street has been sitting there for the past 18 years.	10/12/2017 6:53 AM
128	Although there is an effort to improve the School taxes (although always an issue) are killing the town - young families cannot afford to move in and elders cannot afford to keep there homes.	10/12/2017 6:49 AM
129	No historical experience	10/12/2017 12:33 AM
130	I have not lived here long enough to judge	10/11/2017 10:35 PM

131	With all due respect to the people who run the town government, "historic main street" is a collective sigh. There are virtually no trees/shade. The business diversity on main st. leaves a LOT to be desired. Law offices? Car dealership? Architect? The TINY new Thai restaurant (which is excellent) was apparently put through the ringer before being allowed to open. It is a welcome addition, but more pedestrian friendly businesses would breathe some life into town. Cornwall could learn a lot from what Nyack has done with their business district. It is beautiful, diverse and vibrant.	10/11/2017 9:03 PM
132	Main Street is a disgrace.	10/11/2017 8:50 PM
133	High taxes. Special-interest voting blocs control gov't.	10/11/2017 7:50 PM
134	Local businesses. Clean. Safe. Quiet. Affordable (for New York State)	10/11/2017 7:44 PM
135	Taxes are high, and money is not spent wisely. Roads are a mess. Main street building are not maintained, park pond is disgusting. Town is wasting money building a historical society which has to value to citizen quality of life.	10/11/2017 7:26 PM
136	Store fronts are bare, seems it's difficult to maintain the rent. There have always been activities in a cornwall, but it doesn't feel like much has changed.	10/11/2017 6:54 PM
137	Taxes are increasing and it seems like services are decreasing. Also, a vibrant main street is important but does not exist. The potential is there!	10/11/2017 6:02 PM
138	Been here 30 years. Still just as good as when i moved here.	10/11/2017 4:49 PM
139	Taxes are too high. Limits life's activities.	10/11/2017 4:04 PM
140	change is still very difficult in Cornwall, if you are not from here there is still a sense that you don't belong. And I was born here, I see the "old" guard holding on for dear life.	10/11/2017 3:49 PM
141	Nothing much has changed in the 13 years I've lived here.	10/11/2017 3:15 PM
142	The town has not figured out how to grow. It is becoming stagnant.	10/11/2017 3:03 PM
143	Taxes are out of control and my house value is 125,000.00 less then the purchase price 13 years ago!	10/11/2017 2:41 PM
144	I have lived in COH for one year and I'm unsure if I can provide an accurate response to this question.	10/11/2017 2:37 PM
145	Property values, crime, proportional tax burden, schools, and environment seem stable. Don't work in town, so decrease in local employment opportunities (e.g., hospital) has not affected me. Water issues and development pressure are specific but mostly similar to earlier periods. Infrastructure decline has happened but some repairs on horizon.	10/11/2017 1:55 PM
146	There are many new ideas and activities now. Like the Farmers Market, the Ball Drop, etc. from years past	10/11/2017 1:48 PM
147	Revitalization of Main St. nice to see more retail opening. People are excited by the community events and overall movement to bring Cornwall back to life	10/11/2017 1:36 PM
148	This survey, for one. Also the new energy coming from new candidates who are younger than the same old lot. I'm feeling very positive!	10/11/2017 1:29 PM
149	We need change! Add new business and industry to offset taxes	10/11/2017 12:18 PM
150	Racism, town corruption, entitled attitude of people that have lived in community longer than others.	10/11/2017 12:04 PM
151	I grew up in Cornwall when there were more businesses on Main Street, the town as a whole was less run down, less trash on roads and grounds were kept up.	10/11/2017 12:03 PM
152	Neighboring religious communities	10/11/2017 11:55 AM
153	Outside interests in real estate are taking over the town.	10/11/2017 11:08 AM
154	There seems to be no vision by the local Governing boards of where this town is at and where they want it to be. Also, the school district has lost it personal touch and now seems to be only worried about test scores and looking good in the public eye. The teachers and administration are simply passing through until the next best thing comes along.	10/11/2017 11:06 AM

155	I would like to see a more walkable Main Street with street trees and places to sit and stores that I would like to visit: like a bakery selling good croissants and an ice cream store and a used book store for starters.	10/11/2017 10:59 AM
156	Summerfield is on the Town Board	10/11/2017 10:56 AM
157	The quality of life and schools are bringing in new families.	10/11/2017 10:53 AM
158	More progressive and creative people are moving in with good IDEAS to bring back Main Street to its glory. And add benches! And ice cream.	10/11/2017 10:43 AM
159	High taxes and utilities and increase in crime	10/11/2017 10:33 AM
160	Overpopulation. Over deveopement of open properties. Traffic congestion due to overpopulation.	10/11/2017 10:17 AM
161	Old infrastructure, updates to the children's playground and town pools are required.	10/11/2017 9:52 AM
162	There are too many people who think we should be more "cosmopolitan " have more city-like services. The suburban/rural feel is one of the very best thing about the area. If I wanted city-like services I would live in another area	10/11/2017 9:41 AM
163	I feel that people are more involved in their town and town government. People here for the most part seem to care about our town, our children, safety, nature and intelligent growth	10/11/2017 9:35 AM
164	School taxes and crowned	10/11/2017 9:32 AM
165	Taxes taxes taxes	10/11/2017 9:31 AM
166	The scenic assets in surrounding areas are being encroached upon by poorly planned development. I am not against development -- I understand the need for housing and reliable commercial services but these need to be integrated in a way that makes sense and provide a sustainable economic base and livable community for the future. Our community with its natural assets of river, mountains, fields and outdoor recreational opportunities is beautiful and has much potential. But Main Street has remained somewhat shabby and has a look of disinvestment over the past two decades we've lived here. And if you don't keep up, then in some ways, you decline.	10/11/2017 8:59 AM
167	Cornwall is living in the past -- there is no vision of building a community for the 21st century	10/11/2017 8:54 AM
168	Only been here 2 yrs. Been great since the move. We are loving out new home.	10/10/2017 7:46 PM

ANSWER CHOICES	RESPONSES
a. Tighten development standards to encourage a more consistent, inviting look for new development.	58.10% 147
b. Beautify public spaces	62.06% 157
c. The overall image of the Town is fine	22.13% 56
Total Respondents: 253	

#	FILL IN YOUR OWN SUGGESTIONS (PLEASE SPECIFY)	DATE
1	[moderated for personal attack]	1/12/2018 3:34 PM
2	REDUCE TAXES!	1/11/2018 3:10 PM
3	It doesn't seem to feel like an "inclusive" atmosphere. But my reason for staying is due to the available hiking areas, nature areas, such as Black Rock and Storm King. I do not care about development when it means expanding housing or property ownership. The more houses and businesses and more people and crowds. And that could ruin the "overall image" of the town. Hell if we need all that extra "stuff" drive an hour away and you'll have NYC "stuff".	1/4/2018 12:48 PM

4	Have members of the town board not use social media as a platform and give out wrong or misleading information.	1/3/2018 4:37 PM
5	main street is not inviting for patrons all nail salons or insurance agencies. Parking is limited. Lack of use of waterfront is an issue. Development there is no commercial development in our town. We have no tax base so we suffer.	1/3/2018 1:39 PM
6	The interest has to be there from users of commercial property before regulations get more onerous	1/3/2018 1:29 PM
7	Work should be done on Main Street and Hudson Street to have an inviting commercial area	1/3/2018 1:23 PM
8	Making Main Street property owners accountable for the appearance of their buildings; diverting traffic flow on Main Street for safety purposes; beautifying Main Street to attract new businesses; adding planters and trees to help the appearance of Main Street	1/3/2018 12:44 PM
9	Although some commercial development is desirable to keep taxes in check, it should be on major routes : no sewage contractor's landfills or industrial parking on Meadowbrook Lane! Also, it is extremely important to keep the Pilgrim Pipeline from being built and to put some brakes on all the hunting and trapping, partly for the sake of wildlife and also for the sake of all the non-hunting public that would like to be able to access natural areas at all times of the year.	12/31/2017 10:46 PM
10	Have Zoning in place and building site spec. pre-set for approval of all undeveloped properties (Build to Suit / Shovel Ready). Developers will work with the Planning Board to finalize official plan approval.	12/31/2017 4:03 PM
11	Give Main St a facelift with paint. There has been no vision in the zoning, so the buildings are a random mishmash. Bring cohesion with paint. We could be the town of colors.	12/29/2017 12:11 AM
12	Get interesting businesses on Main Street. Put a moratorium on new monuments and memorials for veterans, etc. Improve the water front park, first by making it more easily accessible. Expand and improve the town pool, along the lines of the great one they have in Monroe.	12/28/2017 11:31 PM
13	A new Town attorney needs to be appointed. This one person has been reappointed for too long and has too much influence on how the Town develops. To realize the needs and wants of the citizens, a change needs to be made in this position. Bike paths, protected open space, and other needs could be more easily implemented with a more open-minded individual. For example, if a bicycle and foot trail were developed linking Storm King, Black Rock, and the Trestle/Schunemunk area as well as Storm King Art Center, not only would a great deal of parking problems be eliminated near the Art Center, but a HUGE number of visitors would take advantage of this network, and would see Cornwall as a destination worth more than an hour's stop. This type of bold vision needs new energy and leadership to see it to fruition. In addition to these changes, the Town needs to adopt the Cornwall Rising recommendations and change the Main St. experienced by the public and visitors. There will be naysayers, but the influx of visitors and business following such changes will be a sufficient answer to those who resist change. To not take advantage of Cornwall's location, natural beauty, and access to NYC is an opportunity we cannot continue to miss. Finally, one of the simplest things the Town needs is a public restroom that is open all year at all hours. People recreate at all times, and fears of vandalism is not a good enough reason to keep our park bathroom locked up most of the year.	12/28/2017 10:52 PM
14	The paved triangle at Chadeayne circle near the 9/11 memorial should be dug up and landscaped, similarly to what the village does with their median. Also, STOP with the monuments!! We've got way more that we should, and the ones we do have are very poorly executed. I share the deep feelings related to 9/11 that all New Yorkers do, but that memorial is hideous! So is the gratuitous memorial to war veterans who aren't even from this community. The Lions Club need to chill!	12/20/2017 9:16 AM
15	It's a little late for consistency and aesthetics at the Cornwall Plaza, but Main Street should preserve as best it can its original store fronts while sprucing them up.	12/20/2017 8:52 AM
16	Economic development & small business growth	12/18/2017 3:56 PM
17	More restaurants, less unused commercial spaces	12/18/2017 6:59 AM
18	Develop an image. I don't think the town really has one to "improve."	12/17/2017 10:39 PM
19	Have a vision for Main Street with a variety of businesses. A way to attract small business to the town and the village. Make Zoning laws for lighting. Protect open space. Have new people on the town board and the representatives of the board. Have some free or metered parking at Donahue park instead of permit only.	12/17/2017 10:14 PM

20	Despite gorgeous attractions (e.g., hiking, SK Art center, Jones Farm, The Museum of the H H'lands) Main Street and Hudson St are not inviting or easy to access for people who would like to wander the 2 down town areas and spend money in local businesses.. Main St is especially off-putting: parking, narrow street that does not allow people to see what's available. Some of the attractive main buildings are diminished by ugly neighbors and an uninviting environment.	12/17/2017 8:29 PM
21	Improve/enhance retail in downtown corridor (to make Cornwall more of a destination for both out-of-towners and residents)	12/17/2017 12:13 PM
22	Encourage business growth on Main and Hudson while maintaining the small town feel. Continue to preserve and advertise natural beauty and outdoor rec opportunities	12/17/2017 9:26 AM
23	Inviting does not mean cookie cutter. The Main Street town plan looks like another outdoor mall. Nepotism not expertise is rampant . Town has a habit to add last minute things to agenda with no public input. Use social media to inform with data driven information . Be more proactive not reactive . Always said "if you bring people in in early planning you will have collaboration. If you work in a bubble you will have criticism.	12/7/2017 5:08 PM
24	Continue to improve business development on main street.	12/7/2017 6:01 AM
25	Tax incentives for small business development. I.e property tax abatement for buildings along main st.	12/6/2017 6:39 PM
26	Kiddie pool....	12/6/2017 4:25 PM
27	Stop making it so difficult to open a new business in town. Opening Costs should be kept low to increase business interest. Also, create more public parking lots and a one side only parking enforcement. Main St is crazy!!! Two cars going thru at once is just insane.	12/6/2017 1:11 PM
28	Allow more business development	12/6/2017 1:11 PM
29	We need a master plan for the cluster of public facilities at Riverlight Park, the Town Hall, the Public Library and Sands Ring Homestead. This set of properties needs a better walking and vehicular circulation plan, pedestrian safety improvements, more and better signage, and more community involvement before any more buildings or other facilities are constructed. In the Village, better signage is needed to direct people to the municipal parking lot and encourage them to use it. In the Main St. business corridor in town, a marketing and development plan to attract certain types of businesses is needed and food-related businesses are one clear opportunity as a focal point for this, to complement hospitality and tourism visitation that we already have (this food focus can extend into the Village as well). Where new commercial development is allowed and desired, e.g., the 9W corridor, we need good architectural and design standards so the gateway to Cornwall, coming down Rt. 9W from the north, is attractive into the future. At the shopping center with DeCiccoco, CVS, etc., design standards and potential site plan changes should be developed so at some point in the future, a better circulation pattern for cars, better walking paths, etc. can be implemented so this whole area is more walkable.	12/6/2017 12:20 PM
30	Encourage business development along Main Street that builds on the successful businesses: Mod, Fiddlestix, Brid's Closet. People like to shop, eat and drink. We need more cafes, clothing stores, shoes stores, book stores, toy store, bakery. Look at the successes in Warwick, Rhinebeck and Beacon for inspiration.	12/6/2017 9:57 AM
31	Be less clicky. Reduce the taxes. Establish tax paying businesses. Tax the individuals who Air B&B their homes. Charge more for the town activities - make the individuals who play the sports, etc pay for the services.	12/6/2017 7:18 AM
32	Also Upgraded shopping facilities, expand commercial retail space.	12/6/2017 7:09 AM
33	Main Street needs an overhaul!	12/6/2017 6:43 AM
34	Make an effort to contact landlord in abandoned Thai restaurant near Lafayette/Main and promote it to be reinvigorated. It looks bad and is located where visitors enter town via Mountain. Also, there is a lack of diversity-please take into consideration when hiring. Noticeable on work crews that minorities and women hold the signs and stand on the sidelines, while the white guys run the equipment and hold foreman positions. This is pervasive in road and utility crews everywhere-but noticeable in road/tree work being done here.	12/6/2017 5:40 AM
35	Donahue park could use restrooms and some kind of eatery. Stores on Main Street are improving, but it literally is about a block and a half, the rest are service oriented storefronts, which is sad. I would like to have Main Street as a destination to shop, not a pit stop. I applaud people that have the courage to open a business, but some of these businesses are best in an office environment rather than a store front.	12/6/2017 5:34 AM

36	Infrastructure to assist any development is very important. Cornwall needs to make the area inviting to working class families.	12/6/2017 3:21 AM
37	-Our town looks old -Our library is rotting. We need a bigger library with new computers, like the Newburgh Library. -Diversity needs to be encouraged -Healthcare needs to be improved, we need a hospital -Main street needs to be extended -We need more shops -We need an indoor community center -We need resources for those on drugs, increase awareness of drug use in Cornwall -Possibly have a clean needle program for those using heroin -Provide community clinic days for drug users -Parking should not be allowed on main street, this would give the entrance to Cornwall a larger appearance. Increase foot traffic on mainstreet by allowing stores to remain open longer. More cafes should be built. -Cornwall needs to be a luxury community, when someone mentions Cornwall people should think big homes, nice stores, clean town, great shops, and diverse environment. -We need to be more like Bedford/Bedford Hills or Katonah, more upscale - less hipster. -We need to break from the past and be more progressive. Yes the history of Cornwall is beautiful, but we need to update our image because it's becoming dusty.	12/6/2017 12:31 AM
38	Little League fields are subpar to neighboring towns. A real town pool would also be nice like Woodbury.	12/5/2017 11:58 PM
39	Main Street	12/5/2017 11:37 PM
40	Empty storefronts are depressing - how can we get those spaces rented out for long-term?	12/5/2017 10:37 PM
41	I'm not sure what is meant by "image" here but there are several ways in which I'd like to see the town progress beginning with our commercial corridor i.e. Main St. Despite what some members of the town council say, there are several things that can be done to attract the kind of business we want. For one, zone according to what we want - there should be no or limited ground floor residential. Obviously, we don't throw those people out but as they move out...	12/5/2017 10:31 PM
42	A nice, expanded town pool with picnic grounds	12/5/2017 10:17 PM
43	Create design standards for businesses on Main Street.	12/5/2017 8:33 PM
44	Need to slow down traffic on main street. It is critical to make main street more pedestrian friendly even if it means removing a couple of parking spots ( finding parking is rarely an issue). Need to add benches and places to allow people to linger.	11/26/2017 8:36 AM
45	Focus less on commercial development and business and focus more on preserving our area's natural beauty and features.	11/20/2017 4:15 PM
46	Main St needs a facelift. Hanging baskets & flowers in the spring/summer, Christmas/holiday lights, lampposts.	11/19/2017 8:52 PM
47	You should also consider stricter rules for homeowners who let their homes fall in disrepair. Force banks into a quicker turnaround for foreclosures.	11/19/2017 8:08 AM
48	Improve the overall health of the pond in the summers with all natural algae reduction (Contact City of Peekskill for viable solution as they have remedied their algae problem)	11/19/2017 6:29 AM
49	Stop being the Town of "It's not possible in Cornwall" and being so negative about big projects that might be expensive and difficult to achieve. Undergrounding the utilities downtown, adding places to sit, adding more crosswalks and trees and cracking down on absentee landlords who leave their properties vacant would all make the downtown more vibrant.	11/18/2017 12:30 PM
50	More shops and community areas along Main Street.	11/15/2017 2:48 PM
51	Must have some form of Architectural Review in the Business District -- We cannot let the town become just a another suburb -- Developments like the proposed Cornwall Commons are a disaster for a town like Cornwall. We also need to clean up Main Street.	11/15/2017 1:23 PM
52	Pretty lamp-posts (decorated accordingly for holidays), better crosswalk signs (lower speed limit on Main to 20 mph), more variety of stores (way too many hair & pizza places, not enough diversity), an old fashioned cafe/ bakery would be clutch. Leave the waterfront as is, too many places nearby that can visit waterfronts and leave town a place to escape the madness. And definitely no public transportation into Town.	11/15/2017 11:02 AM
53	Work to create a more vibrant business district (i.e., more retail)	11/15/2017 9:38 AM
54	Discourage large development projects. No more low income housing projects	11/15/2017 8:19 AM
55	The town need to clean up down town. Code enforcement should ensure the residents on Main Street are inviting.	11/15/2017 5:35 AM

56	Parking along Main Street, trendy restaurants	11/14/2017 11:55 PM
57	Lower the speed limit from 30 to 20 mph where pedestrians and motorized traffic share the road (i.e. where there are no sidewalks).	11/14/2017 6:30 PM
58	Main street needs improvement. Parks need to be protected. Why can't an historical center be located on main street? That makes way more sense than building something new.	11/14/2017 4:25 PM
59	GET THE HOSPITAL BACK..	11/12/2017 7:29 PM
60	Keep businesses in commercial area. Control the renting of homes and parts of homes on sites like Air BnB. Makes the area into version of Catskill Hotels.	11/11/2017 9:11 AM
61	This Town has never encouraged "outsiders" and people looking to improve there quality of lifr find Cornwall Lets not make this town into what they are fleeing	11/10/2017 7:43 PM
62	Remove the wires from Main Street; provide additional off street parking behind properties on Main Street; obtain façade easements to provide enhanced architectural interest and secure on going maintenance	11/10/2017 10:13 AM
63	Signage for parking locations on Main Street needs to be improved. Visitors do not know where to park.	11/9/2017 12:14 PM
64	Discourage single family housing development. Encourage growth of commercial corridors	11/9/2017 6:16 AM
65	Encourage a variety of new businesses to move to cornwall.	11/8/2017 10:33 PM
66	Improve Main St store fronts. Attract more businesses, especially little eateries. Connect Storm King Museum with a shuttle to Main St. Get a grip on taxes. People who have lived here all their lives need to sell and move because they can't afford their taxes anymore. Be realistic about town development with the real cost to people.	11/8/2017 7:24 PM
67	Plant trees on Main Street and create sinage standards.	11/8/2017 10:50 AM
68	Create a better architectural board so that our Main Street looks respectable and beautiful more on par with towns such as Beacon or Rye, NY	11/8/2017 10:36 AM
69	Town Ordinance on appearance of Main St. businesses.	11/8/2017 10:31 AM
70	Supporting local businesses and creating inventive stories attract more businesses into town!	11/8/2017 10:31 AM
71	The town can better improve its image by research development and thoughtful community involvement ,	11/8/2017 10:26 AM
72	Recently moved here and fulfilling a long desire to do so. Love the close-knit town feeling with the ability to walk to Main Street from home. Truly believe there is a good combination of privately owned with a few chain-type establishments in town to provide a fair level of choices for residences. Would love to see more in-town restaurant choices to offer more variety (albeit very happy with the establishments today), however with a little more modern "twist".	10/27/2017 7:44 PM
73	Advertise to get tourists to Main St to get new businesses	10/27/2017 5:46 PM
74	The town is fine image-wise, moving forward just avoid reckless development (overbuilding of residential developments and commercial strip malls)	10/25/2017 10:43 PM
75	Improve city center	10/24/2017 4:29 PM
76	Need to be more inclusive and open to sustainable development projects..	10/22/2017 8:25 AM
77	Create a youth/teen center to help combat the drug epidemic growing in Orange county.	10/20/2017 6:12 PM
78	No more subdivisions.	10/20/2017 3:37 PM
79	Improve the entrance to the cornwall business district on Quaker Ave. Signage for local businesses.	10/18/2017 6:45 PM
80	Some of riverfront should be developed for entertainment (restaurants/shops)	10/14/2017 8:26 AM
81	I would say the opposite of "a." A consistent look for new development should be avoided.	10/13/2017 12:37 AM
82	Lower costs of permits so there aren't as many disincentives for people to maintain and improve their homes. Create signage so people know that Cornwall exists and that it has much to offer!	10/12/2017 6:47 PM

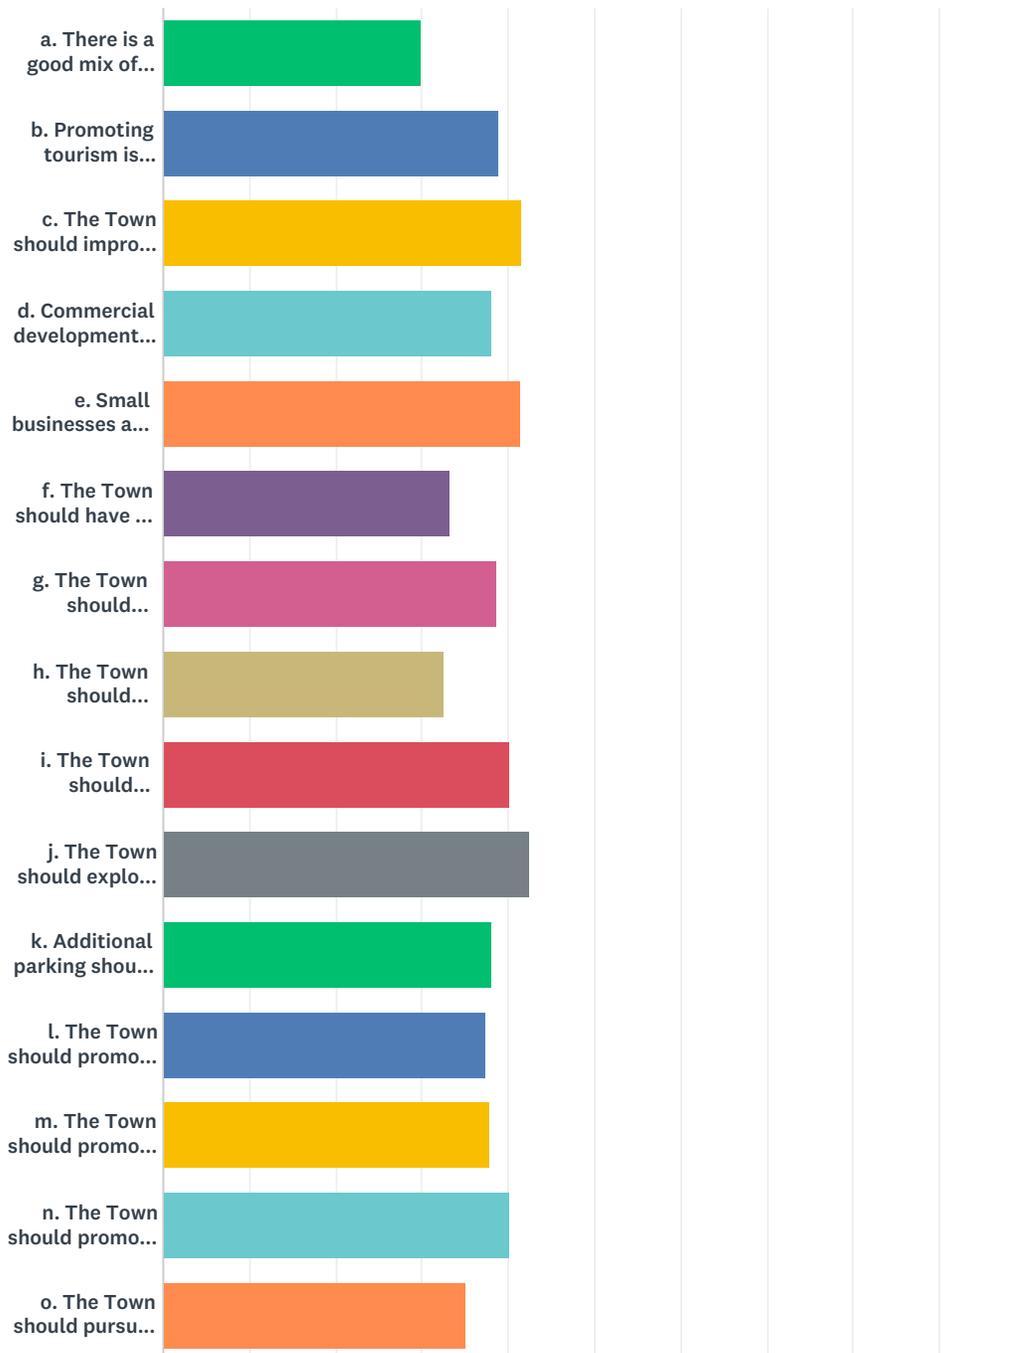

83	Don't know if already, but perhaps become a Government Main Street community that offers Facade Grants, historic preservation society, incentives offered to new businesses. Push social media	10/12/2017 6:21 PM
84	I've heard from a few different business owners that have wanted to open businesses in Cornwall, that it is very hard to do so since the town gives them a very hard time with renovations to the space. They have gone on to open up businesses in other towns that give them incentives and are helpful to them and opening their business. Our town is starting to look very run down and our sidewalks are a danger to children on bikes and scooters as well as the elderly. There should be some form of standards for the look of the buildings on Main St.	10/12/2017 2:06 PM
85	Improve safety on Main Street with slightly raised, brick crosswalks. Improve signage by placing additional kiosks with up to date maps at strategic locations. Add signs to indicate location of public, off street parking in the central business district. Add directional signs to indicate locations of parks and other public facilities. Lower nutrient levels in Ring's Pond to limit algae growth.	10/12/2017 11:56 AM
86	Become more conservation minded. Improve communication with residents and Listen to them.Combine village and town services.	10/12/2017 10:58 AM
87	There needs to be more pride taken in public areas and Main Street. Having a strong Main Street with kept up buildings and for people to sit and have things to do would make this a more desirable place to live and visit.	10/12/2017 10:49 AM
88	Time for negative comments about the status quo to end. There is little appreciation or respect for the "old" opinions that we like the Town and what we have.	10/12/2017 9:07 AM
89	I like the idea of a tourism office or museum as proposed. However, I would like to see a partnership with utility to move the utility poles on main street as well as install brick pavers on main street. The traffic circle could use a study to determine if its actually necessary or traffic can somehow be re-directed.	10/12/2017 7:26 AM
90	It has to improve strategic communication, to make people feel welcome. New residents need to be encouraged to get involved, tourists need to be encouraged to come, businesses need to be encouraged to develop.	10/12/2017 7:09 AM
91	Removal of all electronic wooden pills and make them underground will add space as well as safety. More trees and flowers on Main Street where people come for visit needs to be inviting and pretty. Attractive street signs. The current ones are ugly and have no character. Look at cold spring, Rhinebeck Main Street signs. It goes with history of their twons. Sidewalks can use a facelift.	10/12/2017 7:01 AM
92	Put strict guidelines and enforcement of Main Street commercial spaces - make store front for retail space only. Enforce violations so buildings are not falling apart. Stop being negative that things cannot be done.	10/12/2017 6:57 AM
93	I think it has a great image. It needs to be marketed outside of Cornwall to let people from outside know what we have to offer.	10/12/2017 2:44 AM
94	Make Main Street more pedestrian friendly and inviting (underground utilities, introduce traffic calming measures including safe and visible crosswalks, add benches, more plantings, etc.). Tighten code enforcement to make sure owners keep up properties. Establish rules on how long commercial properties may stay empty. Be welcoming to visitors by improving signage and having more information what is available where.	10/11/2017 10:54 PM
95	The summer music series is a great idea, but the diversity of the music is terrible. Rock, folk rock, classic rock, country. Sheesh.	10/11/2017 9:07 PM
96	Power lines on Main Street	10/11/2017 9:05 PM
97	Clean up deteriorating buildings on main st	10/11/2017 8:52 PM
98	Consolidate/coterminus of Village and Town to protect from encroachment, reduce redundancy and contain gov't costs.	10/11/2017 8:10 PM
99	The "not in Cornwall" attitude needs changing. Big visions and projects take time but dismissing them outright is not helpful. Considering this area gave birth to the revolution this attitude seems strange. I have been told of the tension between Cornwall residents and people from Newburgh. It was brought to my attention that people of color and those with dilapidated cars do not feel welcome in Cornwall.	10/11/2017 8:03 PM
100	Architectural review board	10/11/2017 6:13 PM

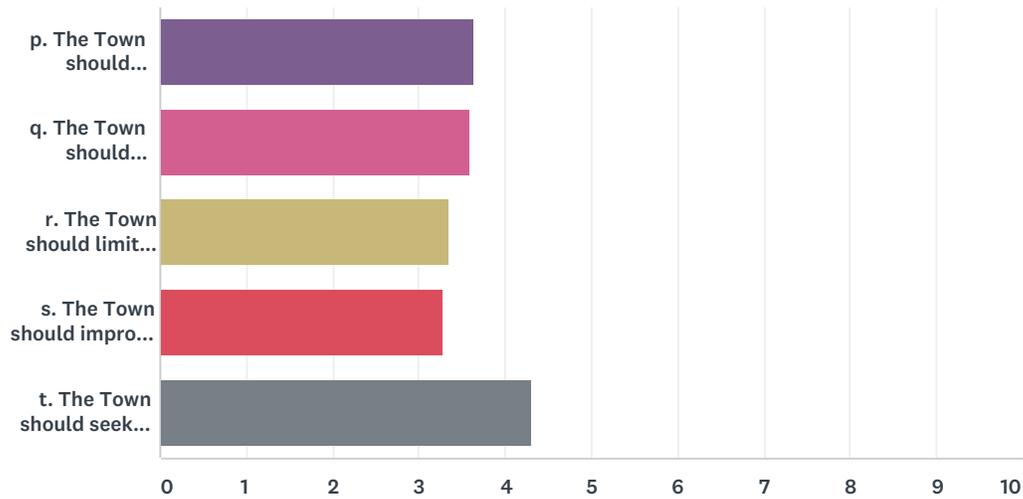

101	Make sure we do not over develop. Keep zoning laws such that lot sizes are larger. Also, improve main street. Making it one way would be a start.	10/11/2017 6:05 PM
102	develop a standard for main st. and hudson st. for a more cohesive look. Replace crumbling sidewalks, add areas to sit and communicate	10/11/2017 3:53 PM
103	d.) Hosting events to promote diversity & inclusion. e.) Initiating a volunteer program to match locals (born/raised in Cornwall) with individuals or families who are transplants to Cornwall (moved from outside Cornwall). The town seems divided among these two groups and some sort of equivalent to a peer/mentor/welcome program may go a long way to bringing the community together.	10/11/2017 2:46 PM
104	No more houses to be built!	10/11/2017 2:44 PM
105	Plan and build for foot and bike traffic over cars--in public spaces, in recreational/natural corridors, in new development, and by investing in transit.	10/11/2017 2:02 PM
106	Cornwall has the potential to become the Small Town Americana that is uniquely it's own image in the Hudson Valley.	10/11/2017 1:43 PM
107	NO NEW CONSTRUCTION FOR A MUSEUM THAT IS NOT NEEDED. NO QUID PRO QUO ON CONSTRUCTION PROJECTS. THERE WILL BE A MICROSCOPE ON ALL PROJECTS INCLUDING SCAM SURVEYS TO JUSTIFY QUID PRO QUO. COMPRENDO AMIGO?	10/11/2017 1:36 PM
108	Stream of thoughts to follow- The town is NOT fine. The village looks like a completely different area in comparison. How about creating tax incentives for families when they do home repairs instead of penalizing with tax increases. Enforcing town code for houses that are in disrepair and properties that are not maintained. As for Mainstreet, how about the town starts to buy the buildings, creates revenue from rental properties and essentially give away storefronts to small business owners. Basic signage and neon laws need to be developed. The town should take on a historic feel and someone needs to lead that charge. We are sitting on a gem that looks any other trashy OC town. If Warwick and Goshen can get their act together why can't we? Ferry to Beacon? Courting restaurant owners, a partnership with the culinary to bring restaurants to the area.... Good restaurants! We have more people visiting the area and are doing little to capture traffic. HIKE, DINE, SEE Cornwall. What makes Cold Spring so great, shops, restaurants and public park on the river. Maybe day passes to the river park can easily be made available to anyone who visits Storm King?? Something like that. Proactively change the zoning on any for sale properties that would serve as great commercial properties. Essentially Make the town desirable to small business owners and the commerce and home sales will follow.	10/11/2017 12:21 PM
109	Lower taxes	10/11/2017 12:20 PM
110	Welcoming signage and plantings at Town border entryways. Align Town with sustainability measures: charging stations, solar panel farm, Food forests, greenways ...	10/11/2017 11:06 AM
111	i think Main Street could be improved- Plant trees, hide power lines, get more interesting shops, make it a destination for visitors..	10/11/2017 11:03 AM
112	Make the main drag more pleasing and fill in with businesses to make that area attractive and walkable. Get rid of trolls on living in cornwall page - very negative experience there (I know it is not town run) but it now represents the town in a large way. Connect more with the HHNM and their philosophies towards children and environment. Allow their philosophies to transfer to public schools. More innovative arts projects (visual) in town. Better relations with SKAC. More (good) restaurants.	10/11/2017 10:52 AM
113	Slow down on the building.	10/11/2017 10:20 AM
114	We need more businesses aside from all of the hair salons	10/11/2017 9:57 AM
115	Get rid of CoH police department and combine with town. They are the most UNPROFESSIONAL law enforcement department I have ever had the misfortune to encounter. They serve TO HARASS tax payers for no valid reason. The case of Michelle Okin is still often used to teach law students about police corruption.	10/11/2017 9:44 AM
116	We have a beautiful town and village. Our main street is too narrow with parking permitted on both sides. this is very dangerous. the day after I bought my new car, my driver's side rear view mirror was torn off my car (\$500). There were other cars in the same shape in front of Fiddle Stix Café. I feel frightened to go to that area now. Police were not helpful.	10/11/2017 9:42 AM
117	Get the overhead wires on main street underground	10/11/2017 9:33 AM

118	Address vacant/distressed storefronts on Main Street. Remove the overhead wires on Main Street. Make Main Street more accessible to visitors by transportation links that connect the Village waterfront to Storm King Art Center and all points along the way. Work with Village to address issues of common concern, e.g. Address requirements that short term visitors to the Village waterfront get parking permits.	10/11/2017 9:06 AM
119	Better planning and architectural review	10/11/2017 8:56 AM
120	Better social media information. Grew up on Long island. Used to receive town calendar that listed trash days, recycled and holidays and rescheduled days for pick ups.	10/10/2017 7:52 PM

13	What public education agenda should the Town undertake to best serve residents and visitors? Options should include Share the Road initiatives to explain pedestrian and cyclist right of way, driver safety, and tips on how motorists should respond to pedestrians and cyclists for public safety and sense of community.	12/28/2017 10:59 PM
14	We desperately need to dredge the pond at the town park, and do whatever else is necessary to prevent the algae blooms from creating that unsightly scum. This is a major focal point and source of visual identity for the town. Also, we need much more aesthetically pleasing lighting in the park, and in general, around our community. This is what attracts (or repels) people.	12/20/2017 9:36 AM

30	Art and music. One note on Q18 - I work in Rockland County, which is not listed as one of the options. Another way to phrase the question is to ask how long your commute takes, rather than specifically pinpointing locations and leaving some places out.	12/6/2017 10:03 AM

35	Recycling in outdoor areas and events. For instance at the 5k's where water is handed out, there is no recycling of all those bottles.	12/6/2017 5:46 AM
36	Accessibility for all!	12/6/2017 3:26 AM
37	Nightlife! Nightlife is huge for any town - Cornwall has potential to be a classy tourist attraction. We need more nightlife, more restaurants, more upscale lounges and bars, more upscale cafes.	12/6/2017 12:38 AM

38	Additional sports like Ultimate Frisbee park for a safe non contact sport that encourages fitness. Could be first town in Orange County with one. Might help in tourism. Plus becoming a popular college sport.	12/6/2017 12:09 AM

50	There was no option to select fining landlords for underutilized commercial space downtown. There are too many police. The volunteer fire department is having trouble finding volunteers because of the high cost of living and lack of good paying jobs cloes by. For "Indoor Facilities" I think a rock climbing gym/bouldering would be great.	11/18/2017 12:37 PM

54	Public transportation	11/15/2017 1:30 PM
55	The "Welcome to Cornwall" sign should be at the traffic circle, not next to the strip mall and apartments. Guests are put off by this first impression right now.	11/15/2017 1:26 PM
56	Less generalities and more specifics	11/15/2017 11:11 AM
57	Uniform clean-up/beautification of Main Street!	11/15/2017 10:39 AM
58	Community gardens	11/15/2017 9:41 AM
59	The survey is biased in that it presumes change is needed through government actions. The charm of this town has little to do with central planning or programs encouraging any particular type of development. It results from the individual entrepreneurs and voluntary civic institutions who, over time, have created a community that is both vibrant and sustainable.	11/15/2017 8:49 AM

71	T	11/10/2017 7:50 PM
72	This entire survey assumes that any issue affecting Cornwall can be addressed by more government or more spending. The survey should operate without this bias. For example: The question on why choose to live in Cornwall mentions taxes as a reason to live in Cornwall. That's a joke. No one moves here because of low taxes; they move here in spite of high taxes. Taxes are easily the biggest negative factor regarding living in Cornwall. The survey should be asking about that.	11/10/2017 6:13 PM

84	Utilizing the old railway (O&W??) bed (tracks once connected Firth Cliff, across 32, under NYS Thruway, out past Meadow Brook Lodge) to link Cornwall to "West Cornwall" without going through Vails Gate. New roadway (with jogging and cycling lane) would Connect Quaker Ave/Mill Street to High School in a matter of minutes (connect to 94 or continue to The Reserve) plenty of agacent property to develop for soccer/lax fields, commercial zone. Most of railway bed is still in place (annex?). Think big for the future of our community!	10/30/2017 1:22 PM

97	Tax relief or reform.	10/12/2017 9:33 PM
98	Ideas about how to reduce the tax burden. This is a growing disincentive for people to move here or stay here. Population will decrease as a result.	10/12/2017 6:53 PM
99	create a law to limit leaf-blower use. It is one of the biggest contributors to climate change/pollution! Towns in California and other places have limited their usage. Also, there should be a fee for using plastic bags. Again, other towns and cities do this and it's helped tremendously. We have to find ways to limit both of these instruments of climate change.	10/12/2017 4:26 PM

151	it was the house I could afford at the time. I should have continued to look elsewhere.	10/12/2017 4:26 PM
152	My husband was born and raised here. I am from the (quaint and well kept) South Shore of Massachusetts in between Boston and the Cape. Although the towns in that area are absolutely gorgeous and the money is well spent, nothing beats the sense of community in the town of Cornwall. I have truly never experienced anything like it and have to say I am now hooked!	10/12/2017 2:13 PM
